

“Many waters cannot quench love, neither can floods drown it.” Song of Solomon 8:7

Did you know ...

- that marriage is a gift from God to be enjoyed for life?
- that marriage as God designed it is a picture of the intimate relationship between Christ and the church?
- that husband and wife are equal in value and that the role of each spouse complements and honors the other?
- that it is possible to resolve conflict in the home without using hurtful words or actions?

The studies found in this book will help you to discover what the Bible has to say about each of these topics and other important truths about marriage. As you learn God’s plan for your home, will you pass that understanding on to other couples?

Jesus said...

“Have you not read that he who created them from the beginning made them male and female, and said, ‘Therefore a man shall leave his father and his mother and hold fast to his wife, and the two shall become one flesh’? So they are no longer two but one flesh. What therefore God has joined together, let not man separate.” Matt. 19:4-6
